# iPaidNothing

iPaidNothing was first launched in September 2010, on a single domain. Our original mission, was to create a portal that helped introduce users to the world of freebie networks, in a way that didn't force it down the throat!

We're happy to see, that 20 months down the line, we're still going, and as strong as ever!

# Kudos Network

Since its launch in 2007, Kudos Network has been reinforcing its name as the UK's favourite freebie site.

Thousands of users, have earned millions of pounds worth of freebies, including cars, fridges, iPhones, mopeds, vouchers and much more!

Using the simple 3 step process, you too can get your free gift from Kudos Network!

# Step 1

The first step to getting your free iPhone 4S from Kudos Network, is to have an account with them.

Signing up free, quick, and easy. Just enter your email address, name and somewhere to ship the iPhone, and you're all done!

Remember to have a read through the T&C's as well! Especially if you're under 18. It's always best to have an adult have a look through!

## Step 2

To complete Step 2, you'll have to trial one offer. Now, don't panic, because a huge load of the offers are free to complete. Click the 'Free' tab to see them!

The offers are all from reputable companies, such as LoveFilm, AA, NetFlix etc and usually require you to trial their service.

Please note that although many of them are free, you'll still need a card, just to verify that you are who you say you are!

## Step 3

Step 3, is the referring step. In order to get your free iPhone 4S, you'll need to get 25 friends to sign up and do the same!

This is where all of the money is made, as Kudos Network get's paid everytime that someone completes an offer. And because it was you who told your friends to sign up, you'll get a cut of the profit.

This profit is how the cost of the iPhone 4S is covered!
